

Cookie Name	Purpose	Cookie Type	Expiration date
PHPSESSID	To store a simple message when a form is submitted that can be displayed on a different page. For example, if an enquiry form is completed incorrectly, a message will be stored and presented to the user to indicate the errors in the submission. When an enquiry form is submitted successfully, a message is stored and presented to the user thanking them for their enquiry. No personal information is stored in this cookie.	Necessary [Necessary cookies help make a website usable, by enabling basic functions like page navigation and access to secure areas of the website. The website would not be able to function properly without these cookies.]	When the web browser is closed.
